

## **Target Safety Services**

*Since 2007, Target Safety Services Ltd. has been providing customized safety services to clients throughout Western Canada. With three convenient locations in Red Deer, Lloydminster and Bonnyville, we have efficient access to clients and their worksites.*

Whether delivering safety training, technical rescue, industrial or health-related services, safety equipment or corporate safety management systems, Target's team of highly trained management and staff are committed to ensuring the safety and well-being of each individual on every worksite.

- ◉ Industrial services
- ◉ Technical rescue services
- ◉ Corporate safety management systems
- ◉ Safety equipment
- ◉ Health-related services

We see leadership as a critical piece of our safety operation. Whether in board rooms, training environments, or on-site, Target is committed to inspiring and demonstrating leadership in the areas of health and safety services; doing so helps to ensure the safety and well-being of your people, places and products.

While other companies provide the services, we provide the services and the leadership you need to create buy-in and safe work practices among your teams. For more information on Target Safety Services visit our website at [www.targetsafety.ca](http://www.targetsafety.ca)

Target Safety Services Ltd. maintains memberships with ISNetwork and Canadian HSE Registry. By working with these organizations, our clients, both current and prospective, can view information about us to assist with the pre-qualification processes.
